## **Reports**

**Chief's Report** – Chief Frink provided an update on the following items.

The Fire Department responded to 795 calls over the past 12 months an increase of 78 over the previous year.

He informed the taxpayers that the state of the department is very good. The membership totals 41, with 27 active firefighters, 3 fire police, 4 probationary firefighters, 4 junior fire fighters and 4 admin/life members. The Chief discussed the success of the first "Honored Members" night and went on to recognize the passing of former members: Richard "Cappy" Champlin, Deputy

Chief Joseph Popiolek, Lieutenant Larry Pendleton and Fire Police and Secretary Bill Brennan.

The department had scheduled 123 training classes, drills and work parties amounting to 1575 man-hours of training. The goal is to have 100% of the department's firefighters trained to National Fire Protection Association Firefighter I level. The Chief noted that the department responded to 399 Emergency Medical Service (EMS) calls and that 4 additional department members have obtained or are in the process of obtaining their EMS-B level certifications.

The Chief stated that the District received \$29,152 in grants last year for turnout gear, wild land Personal Protection Equipment, and communication equipment upgrades. He noted that the District applied for \$58,000 in grants from the RI EMA to upgrade the District's communication system of which \$23,000 was awarded and by sharpening our pencils and being creative we were able to install a repeater on the town water tower in Bradford and replace our mobile apparatus radios. The Chief noted that he had worked diligently on a regional Assistance to Firefighters Grant for the replacement of all of the Self Contained Breathing Apparatus (SCBA) in all four Westerly departments. The replacement is mandatory after the SCBA's reach the end of their life expectancy. The estimated total replacement is just under \$800,000. The Chief recognized Watch Hill Fire Department Chief Bob Peacock for his assistance in writing the narratives for the grant. The Chief informed the taxpayers that the grants are very competitive and we did not receive one this year, however he will be reapplying over the 2016-2017 fiscal year.

The Chief informed the tax payers that during the past year he completed his service as President of the R.I. Association of Fire Chief's and went on to explain that his goal during the time was to shine a better light on the fire service and counteract the negative press. He noted that during his tenure as President the association began running TV spots on Holiday Cooking Safety, Christmas Tree Safety, as well as stories of the men and women who make up the fire service.

The District completed a number of capital improvements which included improving radio communications, replacement of the apparatus bay doors at Station 1, purchasing and outfitting Marine 1, and upgrading the telephone system. These projects were completed from the proceeds from the sale of Engine 2 and came in \$92,504.00 under budget. Additionally, the Chief noted that the new business fire alarm system switch over from wired to wireless was on target to be completed by July 31, 2016.

For fiscal year 2016-2017 the capital expenses included in the budget are; the replacement of the Chief's car, upgraded LED exterior lighting at both Stations 1 and 2, upgraded security systems at Stations 1 and 2, replacing the hot water system at Station 2, and Station 1 interior painting. The projects totaling \$29,000 would be paid from the General Fund with unexpended money from the previous year's capital expense budget.

The Chief spent time discussing some of the short comings of Station 1, primarily that it had been cited for no second means of egress from the upstairs, additionally it is no longer ADA compliant, and is running out of room. He also noted the need to make it a more business friendly environment. He noted renovating Station 1 will need to be addressed. He gave an update on the required replacement of all SCBA equipment in 2019 at a cost of \$300,000.

The Chief informed the taxpayers about the Department's Community outreach which included and Open House; collaborating with the Town and the American Red Cross to install smoke detectors in homes lacking them; participating in the Fight for Air Climb in Providence; working in preschools during Fire Prevention week; sponsoring the Karl Kenyon Smokey Bear Parade as well as coordinating with other government agencies.

In conclusion the Chief thanked the Operating Committee, Clerk, Tax Collector, Office Mmanager, his officers and firefighters and, all the families and significant others of the firefighters who allow them to take the time to be away from them. He also thanked his wife and children who have been understanding of his absences.

*A motion was made, seconded and so voted by acclimation to approve the Chief's Report.*

**Treasurer's Report** – The Treasurer reviewed the financial statements for the period of June 2015 through May 2016.

The 2015-2016 financial statements showed a net loss of (\$122,038.73) a result of using the gain on sale proceeds of Engine 2 (recorded in the 2014-2015 financial statements) to fund capital expenses and hold the tax rate steady during fiscal year 2015-2016. Additionally, he discussed the District's equity position which stood at 1,865,035.14 and that the District was able to make an additional \$35,000 in principal debt reduction payments on Station 2 during the year.

*A motion was made, seconded and so voted by acclimation to accept the Treasurer's Report and accept the fiscal year end 2015-2016 financial statements.*

**Moderator's Report** –

The Moderator introduced Ron Meneo from the Friends of the Quonochontaug Grange (FOTQG) who gave an update on the progress made over the past year. Mr. Meneo thanked the Dunn's Corners Fire District for its support and it Operating Committee for working collaboratively with the group. He reminded the attendees that the facility is an asset to the community for events as well as an emergency meeting place.

Mr. Meneo went on to cover the accomplishments achieved in rehabbing the facility over that past year which included, re-grading to resolve basement flooding, poison ivy removal, exterior trim painting, window repairs, flag pole repairs, updated signage, women's bathroom renovation, cleaning of the well, electrical repairs and a thorough kitchen cleaning.

He informed the attendees of an Open House event for the facility in September, that FOTQG currently has about 100 members and went on to thank the District and the group's supporters.

The Moderator then asked Solicitor Attorney Cozzolino to report on the status of the law suit regarding the dispatcher. The Solicitor noted that he and the Chief have been working with Attorney Patrick McKinney to resolve the matter of the DCFD being the first responders dispatched to the Bradford Industrial Park(BIP) even though the park is not within the DCFD or

any of the its contracted districts . He noted that while the dispute is going on, DCFD is legally obligated to respond and that all sides are looking for a reasonable agreement.

Taxpayer G. Laudone inquired as to what district BIP belonged to. The response was that BIP is not part of any district, which has created this issue.

Taxpayer J Angelo inquired who the parties of the suit were. The response being the Westerly Ambulance Corp and the Dunn's Corners Fire District are the parties involved.

The Moderator informed the taxpayers that the District has entered into contracts with both the Shady and Sheleter Harbor Fire Districts, the contracts to be posted to the District website soon. He stated that the Bradford Fire District contract was in its final form and he expected it to be signed soon and the Quonochontaug Central Beach Fire District is on extension.

The moderator stated that the ad hoc Charter Review Committee did not meet because of the amount of other business which had to be acted upon during the year and if anyone is interested in serving on the committee to please contact him.

Finally, the Moderator thanked the Operating Committee of (Chief Mike Frink, Bob Delaney, Tom Algieri, Ken Martin and Jon Schreier); the officers, employees and volunteer members of the department. He went on to offer special thanks to Treasurer Bob Delaney, Tax Collector Diane Nardone, Administrative Assistant Mary Rathbun and District Clerk Steve White for their efforts.

*A motion was made, seconded and so voted by acclamation to accept the Moderator's Report.*

**Tax Assessor's Report** – Tax Assessor Diane Nardone reported for the fiscal year 2015 – 2016 property within the town of Westerly had an assessed value of \$924,308,000 and was taxed at a rate of .428 cents per thousand establishing an amount for collection of \$395,765.37. Of that total the District collected 96.3% or \$381,022.54 plus an additional \$907.95 in interest payments on past due taxes. The overall collection rate of 98.7% factors in past due amounts collected for the years 2013 thru 2014, bringing the total to \$390,877.55. For the town of Charlestown property had an assessed value of \$639,039,500 and was taxed at a rate of \$.428 cents per thousand establishing an amount for collection of \$273,421.60. The District collected 97.2% or \$265,812.45 in principal and \$497.38 in interest on past due taxes. The overall collection rate of 99.2% or \$271,332.72 factors in past due amounts collected for the years 2012 thru 2014.

*A motion was made, seconded and so voted by acclamation to accept the Tax Assessor's Report.*

**Financial Plan and Operating Budget 2016/2017** – The Chief reviewed the proposed expense budget recommended to the taxpayers by the Operating Committee and developed by the Chief and the Board of Engineers with input from the Operating Committee. The draft budget totals \$959,533.00, which is an increase of \$15,561 or 1.65% over the 2015/2016 budget

DRAFT

## DUNN'S CORNERS FIRE DEPARTMENT DISTRICT CHIEF'S REPORT FISCAL YEAR 2016-2017

We have finished another successful year at the Dunn's Corners Fire Dept. There have been some changes within the structure of the department that were not expected at the beginning of this fiscal year. One of the major changes was that Chief Michael Frink resigned from his position as District Chief. His last day was on April 26, 2017. I would like to thank Chief Frink for his service and the department wishes him best of luck in all future endeavors. I would also like to thank Chief Frink's wife, Heather and his family for their dedicated service and support to the department while Mike served as District Chief for the past 12 years. With the District Chief position now vacant the Operating Committee elected to have myself, Keith Kenyon, 1<sup>st</sup> Deputy Chief of DCFD to serve as the Interim Chief. I was elected to take over operations while the hiring process takes place to appoint the new District Chief.

Another change that the department had to endure this past year was the resignation of Chris Wells, the District Firefighter and Facilities Manager. His resignation was effective on December 17, 2016. I would like to thank Firefighter Wells for his service while employed with the Dunn's Corners Fire District. I would like to wish Firefighter Wells best of luck with his new employment with the Tiverton Fire Department. The Board of Engineers is currently in the process of hiring a new Fire Marshal/Firefighter.

The Dunn's Corners Fire District should take pride in the fact that even under these significant changes the department has continued to provide the district with the best possible emergency care. This can only be attributed to the hard work and dedication of my fellow officers and firefighters. Over the past year, there were over 115 trainings held and the dedicated members of this department have participated in a total of 1791 hours. Current membership is at 46 which is an increase of 5 from last year.

### **Membership Breakdown:**

Senior Members	32
Life Members	5
Associate Members	2
Junior Members	1
Probationary Members	6

During the past year, the Dunn's Corners Fire Department responded to 888 Incidents. This is an increase of 93 from the previous fiscal year. The average personnel response per fire call was 8.2. A quick breakdown of these incidents is listed below. Please see attached incident summary sheet for full detail of incidents

**Breakdown of Incidents:**

Non-medical	441
Medical	447

**Breakdown of Incidents by District:**

District	Number of Incidents
DCFD	733
Bradford	51
Shelter Harbor	31
Central Beach	22
Shady Harbor	10
Mutual Aide	41

This year the Fire Marshal's office conducted 339 inspections and plan reviews for residential and commercial properties located in our coverage area. This is a decrease of 38 from last year. However, it must be stated that this number will continue to fluctuate over the years because it is dependent on residential and commercial transition and growth.

**Project Updates:**

Throughout the 2016-2017 fiscal year, numerous projects were completed to help maintain and/or improve operations.

1. One major improvement is the fire alarm notification system. All occupancies in our response area have switched over to radio boxes from the old wired system. This will allow for better notification between occupancies and dispatch especially during high powered storms. In the upcoming year, we will need to continue to focus on removing the wire from the antiquated system. The wire is located on the utility poles running from our stations to all the occupancies that had a wired master box.
2. The department researched and purchased a new Car 1 which is a 2016 GMC Yukon. The former Car 1 is still in service as the new Squad 2 which will be used to transport firefighters to trainings, meetings and to get extra personnel to fire scenes when needed.
3. Station 1 painting project was completed within budget. Both stations also had exterior lighting upgraded to LED lights.

Two projects that were approved in last year's budget were not completed. The projects were replacing the hot water system at Station 2 and upgrades to Station 1 security system and adding security system at Station 2. Both of these projects are noted in the resolutions.

**Grant Updates for the 2016-2017 Fiscal Year:**

We are still in the running to receive a grant to help offset the cost of the new SCBAs. However, we are prepared to purchase the SCBAs on our own if the grant is denied. We are currently working on purchasing personal protection gear for Wildland Firefighting from the Rhode Island DEM Grant that was received last year.

**Acknowledgements:**

At this time I would like to thank the following people for helping to make this past year a successful one for the Dunn's Corners Fire District.

1. Mary Rathbun, for her continued commitment to this department has helped make these transitions seamless. The district is very fortunate to have such a valuable employee.
2. The countless hours the Operating Committee has volunteered to help the Dunn's Corners Fire District prosper and also for their helpful guidance these past few months in my new role as Interim Chief.
3. Retired Deputy Chief Kenneth Martin for his work with Chief Frink for writing the SCBA Grant
4. Deputy Chiefs Carl Johnson and Thomas Algieri for their constant support these past few months. Everyone should know that this transition process would not have been successful without their help.
5. Department Line Officers, their devotion helps make this fire department in my opinion one of the best in the state.
6. Captain/Training Officer Jeffrey Thomas for lending his expertise in the hiring process of both the District Chief and Fire Marshal/Firefighter.
7. Fire Police Captain Bob Delaney and the members of the Fire Police for their continued dedication to keeping emergency scenes safe for all personnel. These members do not receive adequate recognition for their hard work and dedication.
8. Firefighter John Merkel for the countless hours he has put in to maintaining the Department's website and Firehouse Software.
9. The members of this department that continue to help this department grow and succeed. As cliché as it is, there truly is no "I" in team.
10. Lastly I would like to thank my wife, Andi and our children, Brody and Karlin for their extra support and patience since taking on the responsibility as the District's Interim Chief. This new role has taken me out of our home for countless hours as a result I have missed many family moments such as reading and tucking Brody and Karlin into bed. And Karlin doesn't let me forget it! Being the Interim Chief and maintaining my full time job working between 40-70 hours a week as a Lieutenant at the West Greenwich Fire Department has definitely been a balancing act. Without a doubt, my family has been my rock throughout these past few months. I am blessed to have a family that is always willing to put their interests aside so I can give the time this department requires.

**DUNN'S CORNERS FIRE DISTRICT  
2017 ANNUAL MEETING  
MODERATOR'S REPORT**

Over the past year, our District and Operating Committee has seen a lot of changes as you can see from the minutes of our meetings. We have worked to complete our contracts with the Shelter Harbor FD, Shady Harbor FD and Bradford FD. I have learned that we still haven't executed our contract with QCBFD, which we will do soon. We continue with our litigation with Bradford Industrial Park and Westerly Ambulance, our dispatcher and our Solicitor will speak to you about that. We continue to work with the Board of Engineers on some expensive equipment we need to purchase to keep our firefighters safe and to make sure it does not impact our taxpayers in an expensive manner. The Friends of the Quonchontaug Grange have been worked extremely hard to update the Grange and its surroundings and have made great strides to make it a nearly profitable venture. We also are now searching for a new Chief for our District and Department, Chief Frink having decided to make a change in his career and tendered his resignation. I am sure I have not mentioned all of the issues our OC has had to resolve and continues to resolve. I do not know the exact count of meetings we have had, but I believe there have been more than 20. All of our OC members have worked very hard to make sure our District works with our Department to provide valued fire protection and ambulance service for our District and those Districts we have contracted with to provide fire protection and ambulance service.

I conclude my report with a long list of thanks.

I thank all of our volunteers, officers, assistant chiefs and our chiefs, for making a commitment to provide all of us with top quality fire protection and ambulance service (clap). In particular, I thank Mike Frink for all of positive changes he has made for our department during his term as Chief and wish him well in his future endeavors. I thank Chief Keith Kenyon for taking on the position of interim Chief, on top of his full time job and being a volunteer. I thank Mary Rathbun, who has been the glue to keep our transition to a new chief a smooth one. I thank our Tax Collector, Diane Nardone, and our finance person, Kerry Schrier, for all their work.

I thank our OC, for the countless hours given to keep our District moving forward. In particular, I want to thank Jon Schrier, who resigned earlier this year, for all his work on the OC and with the Grange. I also want to thank Tom Algiere, who is stepping down as Department Representative, for all his tireless work on behalf of the District and the Department.

Finally, I thank the taxpayers for their ongoing support for our District and Department. Also, if any of you find that you have spare time, we can always use another volunteer.

Thank you.
