

**Dunn's Corners Fire District – Operating Committee – 2022**  
**At Large Candidate Statements of Qualification**

My name is Richard Thomsen I have lived on West Beach Rd in Charlestown full time now for 10 years. And been a member of the Dunn's Corners operating Committee for 5 of them, I would like your support for reelection to help kept our District not only one of the lowest mill rate in the state while supplying our Fire Dept with the what they need to provide good fire protection and first responder support to both Westerly Ambulance and Charlestown Rescue on the EMS side. It has been a honor to volunteer serving our Fire District.

Thank you for your support

I would appreciate your consideration when voting for one of the 2 year term Operating committee member positions at the July annual meeting. I have been involved with the DCFD since 2007 and have participated on a number of projects and committees in support of both the department and district. I work with the Chief and committee to ensure that our department is well funded while the mil rate charged to district tax payers is one of the lowest in the State. I don't shy away from asking the difficult questions, or from making sure that taxpayer questions are quickly answered. If you compare the information available on the DCFD web site to that of other area districts you will see that DCFD makes information readily available. Thank you for your past support.

Respectfully submitted,

Bob Delaney

I would like to acknowledge my nomination to the Operating Committee of the Dunn's Corners Fire District. As a former insurance agent for over 25 years as well as a 50 year resident of Dunn's Corners, I feel I can bring some insight as well as a different outlook to the committee. I have served on local boards such as the YMCA, Ocean Community Chamber and currently serve as the Chairperson of the Supervisory Committee of the WCCU. I look forward to serving you all in the near future.

Yours truly,

Paul Gencarella Jr
