INSTRUCTIONS TO BIDDERS

Bidders are requested to read the complete bid invitation carefully and submit their proposals via email to the District Chief in strict accordance with the requirements set forth. Any questions regarding this specification must be submitted in writing and be received by the District Fire Chief a minimum of three (3) business days prior to the bid end date. Clarifications, corrections and/or changes shall be sent out in writing via email to all prospective bidders. The purchaser reserves the right to reject any or all bids or accept any bid presented which meet or exceed these specifications and which the purchaser may deem, shall be in the best interest of the Dunn's Corners Fire District regardless of the amount proposed.

Point of Contact: District Chief Keith Kenyon – Email: Chief@dunnscornersfire.com

INTENT OF OPTIONS & SPECIFICATIONS

It is the intent of these specifications to cover items the Dunn's Corners Fire district is looking to purchase (medical and safety equipment) as hereafter specified. With a view to obtaining the best results for the Dunn's Corners Fire District, these specifications cover the items needed.

CONTRACT AWARD

The contract shall be awarded to the lowest and best bidder meeting the attached specifications. Each bidder shall submit on their proposal page as a single line-item price for the proposed items. The price shall be based on the payment upon receipt of the purchased equipment. No discounts, options, or prepayment schedules shall be listed on the proposal page. The winner of the bid will be notified on 2-29-2024 by 4:00pm. All other vendors will be notified of the decision 3-1-2024
